EQUINE SURGERY POSITION 2021

Agnes Banks Equine Clinic is currently seeking a board certified or board eligible equine surgeon to join our team. Agnes Banks Equine Clinic is a twelve-veterinarian equine only practice that is well staffed with experienced veterinarians, specialists in surgery and internal medicine, interns and nurses. Our clinic is well equipped with digital radiology and ultrasound, video and dynamic endoscopy, and nuclear scintigraphy. We perform a broad range of surgeries, including laser surgery and laparoscopy. The practice is located on the western fringe of Sydney at the foothills of the Blue Mountains, approximately an hour's drive from the Sydney central business district. Please see our website (www.abec.net.au) for more information on the practice.

The position will primarily be hospital based, but may involve some ambulatory work. The after hours surgery on-call schedule is typically a 1 in 3 roster. A veterinary degree registrable in New South Wales is essential. The suitable candidate must be able to work effectively in a team environment and have excellent communication and clinical service attributes. Willingness to strengthen existing client relations and build and foster new client relationships is expected. The successful applicant would demonstrate the ability to strive for excellence, to deliver cost-effective veterinary care at all levels, and to show productivity commensurate with the salary package offered. To apply for this position, please submit a Curriculum Vitae and Cover letter/letter of intent to hr@abec.net.au.

Remuneration package: a competitive remuneration package commensurate with qualifications and experience will be negotiated with the successful candidate.

Closing Date: the closing date for applications is when a suitable applicant is identified.

For more information, please contact Christine Smith at christine.smith@abec.net.au, +612 4588 5200.
