

Agnes Banks Equine Clinic

WHAT TO EXPECT WHEN YOU'RE EXPECTING!

Join us at Agnes Banks Equine Clinic for an information evening on Monday Oct 9th 2017

How to prepare your mare (and yourselves) prior to foaling

A checklist on how to be well prepared before the big event.

Presenter - Marnie Treseder

Marnie has rejoined the ABEC team the year and, along with Mark, will be helping run the reproduction service and embryo transfer program.

The Ins and Outs of Getting Your Mare in Foal

Fresh and frozen AI strategies and what's involved in embryo transfers.

Presenter - Mark Wiggett

Mark completed an internship last season at ABEC in reproduction last season and has now permanently joined our team to help run the reproduction service.

Broodmare Colic - Things to Watch Out For

Causes of colic, treatment and outcomes in the periparturient mare.

Presenter - Lauren Groom

Lauren is the new surgeon at ABEC. She has just returned from Virginia after completing her specialist training in equine surgery

Time 7:00pm – 8:30pm

LIGHT REFRESHMENTS SERVED
